# TICOR TOOLS
TO HELP YOU IN 2025

TICOR TECH FARM

Ticor Tech Farm's dashboard analytics show you a quick 360° view of your farm giving you the ability to market strategically using our micro-farm capabilities. Ticor Tech Farm offers automatic ownership updates, turnover ratios, a variety of export formats, the ability to manage multiple farms on one site, and much more!

TICORAGENT ONE

Real Estate's #1 Closing Cost App! TicorAgent One offers a variety of tools to assist with closing costs that are specific to your market. Among these tools are the Seller Net Sheets, Buyer Quick Estimates, Rent vs Buy calculator, and more! Your estimates can be translated into 11 languages, and with the snapshot feature, you can send your client's closing costs in minutes!

TICOR ONLINE PRO

Ticor Online Pro has market-leading property data information and analytics to help build your business. You can search for real-time property information, such as property addresses, property characteristics, tax information, farm lists, and more. Your data needs are met 24/7 with Ticor Online Pro!
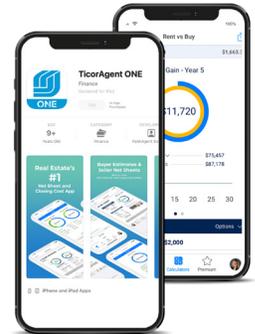

TITLE TOOLBOX

This valuable tool provides 24/7 access to property-specific information throughout the United States. Utilizing robust search and filtering resources, users can identify property owner information by mapped location, city, zip code or by other valuable groupings. Search by probable seller characteristics such as homeowners that purchased at the peak of the real estate market, or those owners that are potential empty nesters.

ALTOS RESEARCH REPORT

Altos Research is the premier resource for real-time real estate data. Providing weekly market statistics, analysis and reporting for 99% of the zip codes in the U.S., helping real estate professionals, investors, financial institutions, and their clients make better-informed decisions.
